Dear Requestor,

After a diligent search of our files, the Office of Criminal Investigations (OCI) of the Office of Regulatory Affairs (ORA) of the Food and Drug Administration (FDA) was unable to locate any records responsive to your request 2019-4994, dated June 12, 2019, regarding:

**Copies of documents, including but not limited to emails, memos, letters, reports, briefs and call logs, referring to, discussing or generated as a result of referrals to and consultations with the Federal Bureau of Investigation and other components of the Department of Justice (Criminal Division, Civil Division, National Security Division, the Attorney General's office, etc.), regarding instances of unauthorized disclosures of information (AKA leaks) for investigation and/or prosecution between January 20, 1981 (or the date of creation of this agency, whichever came first) and the present.**

OCI has no way to search for such records; perhaps DOJ may have the capability and/or responsive records. The Office of Criminal Investigations considers your request closed. If you have any questions regarding this response, you may contact Fran Seiner at 301-821-2089.

You have the right to appeal this determination. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision. Your appeal must be mailed within 90 days from the date of this response, to:
